

BESA MEMBERSHIP

Founders of the association are Bulgarian legal entities and physical persons engaged in the field of "executive search" in the territory of Bulgaria. They are listed comprehensively in the final order of this statute and are its members by right.

The association has full and associate members.

Full member could be any Bulgarian or foreign legal entity or person who operates mainly in the executive search field, with demonstrated high level of professional services, who has a good reputation among the businesses, public and state institutions and with regards to the objectives set by the association and the activities included in its work.

Associate members of the Association could be legal entities and physical persons who are not up to the requirements for full member, their activity is part of the executive search cycle or the executive search is not their core business. They should demonstrate high professional level of services they offer, have a good reputation among the businesses, public and state institutions.

The candidates apply for membership filling an application, which contains a declaration-agreement for accepting the statute as well as the aims and activities of the association. To be considered the candidate-member's application should be supported by written recommendations from two current members. Without such recommendations the Governing Board shall not submit the application for viewing and voting for election by the General Assembly.

Membership arises from the time of election of the candidate by the General Assembly.
